**Dear Parishioners,**

***Loving is the highest form of understanding. Our journey towards God and towards each other is made along the same road. And when we journey that road in love and respect, the way we travel assures us of our destination. That is the Gospel.'***

- Denis McBride, CSSR

As we celebrate this feast of the Holy Trinity we realise there is always more required to our understanding and even more to the depth of our faith for just as God is a sacred mystery so are we.

Getting to know and understand ourselves – our strengths and our limitations, our abilities as well and shortcomings - is a lifetime's challenge. Likewise knowing others. We are all made in the image and likeness of God which is why self-knowledge and the knowledge of others takes a lifetime.

Jesus leads us to the Father and the love between them is the gift of the Holy Spirit. Jesus is the Way to the Father. Together with the Holy Spirit they remind us that the path to God is the path of love.

**With every blessing in Christ,  
Michael McCabe, Parish Priest**

## PASTORAL NOTICES

**Prayer Focus:** Thanksgiving for the design work already done and we pray for ongoing wisdom and discernment as we move forward in making our parish church a reality.

### Trade to Build Project

Now that we have an exciting new set of plans for Our Lady of Kāpiti Church and Parish Centre it is timely to remind everyone that the Parish continues to operate a Trademe account, selling donated items to raise funds towards the build.

You can support this on-going project in three ways:

Donating items for sale

Purchasing listed items

Using your networks to invite friends & family to donate and buy goods

(details of "Trade to Build Project" are on the Parish website)

To view our current listings, open the Trademe site and search in "Community", then "Member Profiles", for our member name OLOKTRADER.

Profit from this project is now close to \$27,000. That's a great result, however listings have dropped off – we need to build them up again. As the evenings get cooler there are more Traders on line searching for a bargain, so now is a great time to check your home for any items which are surplus to requirements. We pay fees to list so, ideally, we're looking for things which might be expected to sell for \$25+. Items sold so far range in size from a single coin to a spa pool!

Most Donors are happy to hold larger items until sold, however we do have limited storage available at the Parish Office.

If you can assist please contact Claire Reiher, Ph 04 9046956, [oloktrader@gmail.com](mailto:oloktrader@gmail.com)

Please check with Claire before taking items to the Office.
